

Hobby horsing and accessories

241505 Hobby Horse IRHFree Spirit

Safety Data Sheet for Hobby Horsing and Accessories

Product: Hobby Horsing and accessories

Use: These products are used for sports and playing with hobby horses. Hobby Horsing is an activity in which participants "ride" on hobby horses and overcome various exercises and obstacles.

Materials:

Hobbies: wood, plastic, fabric (for the horse's head), filling material (polyester fibre)

Accessories: Headbands, saddle pads, nosebands made of fabric, leather or plastic

Dangers:

Mechanical hazard: Improper use or damaged accessories can lead to injury.

Choking hazard: Small parts such as buttons or loose components can be swallowed, which is especially dangerous for young children.

Chemical hazard: Some materials may contain chemicals that are harmful to health and can cause skin irritation or allergic reactions.

Risk of falling: There is a risk of falling when jumping or running with the hobby horse, especially on uneven terrain.

Safety Measures:

Handling: Use the products only according to the manufacturer's instructions.

Inspection: Regularly inspect the hobby horses and accessories for wear or damage and replace defective parts immediately.

Storage: Store products in a dry, cool place, away from direct sunlight and extreme temperatures.

Cleaning: Follow the manufacturer's care instructions to keep the products clean and in good condition.

Protective clothing: Wear appropriate protective clothing, such as helmets, during more intense activities to prevent injury.

Supervision: Do not let children play unsupervised, especially if they are using the accessories for the first time.

First aid measures:

Mechanical injuries: Take care of any injuries and consult a doctor if necessary.

Chemical reactions: In case of skin irritation or allergic reactions, remove the accessories immediately and consult a doctor.

Choking hazard: Seek medical attention immediately if any part is swallowed.
