

Pet Supplies and Enclosures

400546 Freigehege mit Ausbruchssperre

Safety Data Sheet for Pet Supplies and Enclosures

Product: Pet supplies and enclosures

Usage: These products are used to safely care for pets and provide them with a comfortable living space.

Materials:

Pet Supplies: Plastic, Metal, Fabric, Rubber

Enclosure: metal, wood, plastic, wire mesh

Dangers:

Mechanical hazard: Improper use or damaged accessories can lead to injury.

Choking hazard: Small parts such as screws or loose components can be swallowed.

Chemical hazard: Some materials may contain chemicals that are harmful to health and can cause skin irritation or allergic reactions.

Flammability: Some materials may be flammable.

Safety Measures:

Handling: Use the products only according to the manufacturer's instructions.

Inspection: Regularly inspect accessories and enclosures for wear or damage and replace defective parts immediately.

Storage: Store products in a dry, cool place, away from direct sunlight and extreme temperatures.

Cleaning: Follow the manufacturer's care instructions to keep the products clean and in good condition.

Supervision: Do not allow small children and pets to play unsupervised near the accessories and enclosures.

First aid measures:

Mechanical injuries: Take care of any injuries and consult a veterinarian or doctor if necessary.

Chemical reactions: In case of skin irritation or allergic reactions, remove the affected material immediately and consult a doctor or veterinarian.

Choking hazard: Seek immediate contact with a veterinarian or physician if any part is swallowed.
